oca studios

about this game

This is a file designed to demonstrate the cutting and folding required to produce Oca's bronze games. All artwork and folding instructions are released under Public Domain. For more information visit: www.ocastudios.com/rights.

Printing instructions:
- don't print pages 1 and 2,
- print on both sides of the paper (even pages are the backs of odd pages).

money tokens

To be used with gamble and economics games.
