about this game

This is a file designed to demonstrate the cutting and folding required to produce Oca's bronze games. All artwork and folding instructions are released under Public Domain. For more information visit: www.ocastudios.com/rights.
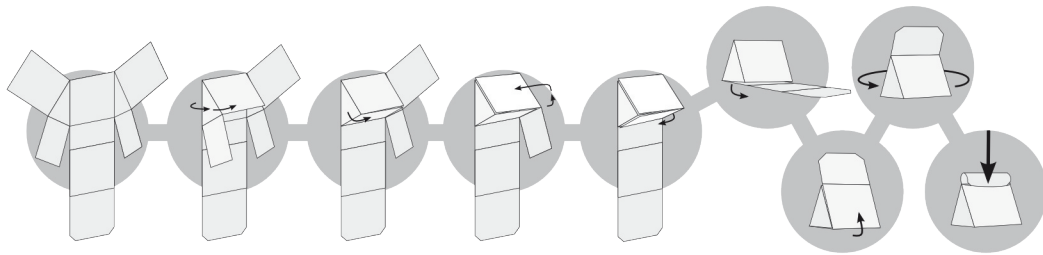

Printing instructions:
- don't print pages 1 and 2,
- print on both sides of the paper (even pages are the backs of odd pages).

rigid pins

Miniatures for RPG and wargames. Only a few classes are represented again, and no monster... yet. We'll expand the collection if there's demand. We call these rigid pins peeples (Paper-mEEPLES), when standing and representing character.
